II.1.4. Short description of the contract or purchase(s)

Norwegian Police is currently a magazine published by the Police. The primary target audience are all employees of the police agency in Norway, distributed to each employee through the work place. In addition, the magazine is sent to political parties and groups, various ministries, agencies, cooperating agencies and the media. In addition, some copies are also distributed to the Danish and Swedish police.

Since its inception in 2006, the magazine has won several awards including that year's internal magazine in Norway, under the direction of communication association.

We envisage that all or part of the contents of the magazine will also be made available via electronic media/platforms.

Award authority therefore requests a tender for this type of services according to the specifications and requirements outlined in the tender documents.
