48000000 Software package and information systems, 48400000 Business transaction and personal business software package, 72212000 Programming services of application software , 72416000 Application service providers, 72421000 Internet or intranet client application development services, 72422000 Internet or intranet server application development services

#### **II.2.3. Place of performance**

NUTS code: NO06 Trøndelag

NUTS code: NO Norge

Main site or place of performance: Trondheim.

#### **II.2.4. Description of the procurement**

The contracting authority would like, via this procurement, to establish a new self-service system for electronic parking. This includes a mobile payment system (app) and sms, including a back-system for public and private areas.

Trondheim Parkering focuses on the user. It is important to focus on simplicity for users, with the greatest possible degree of automation, assignment simplification and intuitive interface. The chosen system must, therefore, be so good that external customers and users prefer to use the services digitally and that internally it gives efficiency gains.

#### **II.2.5. Award criteria**
