the abovementioned address

**Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained from:**

the abovementioned address

**Tenders or requests to participate must be submitted:** the abovementioned address

**I.2. Type of the contracting authority**

Regional or local agency/office

**I.3. Main activity**

Other: water and sewage

**I.4. Contract award on behalf of other contracting authorities**

The contracting authority is purchasing on behalf of other contracting authorities: no

**Section II: Object of the contract**

---

**II.1. Description**

**II.1.1. Title attributed to the contract by the contracting authority**

Framework agreement for securing work in tunnels.

**II.1.2. Type of contract and place of performance or delivery**

Works

Execution

Main site or place of performance: Oslo.

NUTS code NO Norge

### **II.1.3. Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

### **II.1.4. Information about framework agreement**

Framework agreement with a single operator

#### **Duration of the framework agreement**

Duration in years: 4

### **II.1.5. Short description of the contract or purchase(s)**

Cracks and loose stones have been discovered in many of VAV's older tunnels and geologists have assessed that there is a need to secure the areas in question.

The overall need for VAV is operationally secure tunnels. There is a need for the securing measures described in the geology reports prepared for VAV.

The work must be carried out so that the areas in question have an acceptable safety standard suitable for VAV's operation of the installations. This need is acute for several of the tunnels and it is necessary that the work in securing them is maintained with a new framework agreement for VAV.

### **II.1.6. CPV code(s)**

45000000 Construction work, 45221000 Construction work for bridges and tunnels, shafts and subways, 45221200 Construction work for tunnels, shafts and subways, 45231300 Construction work for water and sewage pipelines, 45232100 Ancillary works for water pipelines

### **II.1.7. Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: yes

### **II.1.8. Lots**

This contract is divided into lots: no

### **II.1.9. Information about variants**

Variants will be accepted: no

## **II.2. Scope of the procurement**

### **II.2.1. Total quantity or scope**

The framework agreement will be valid for 4 years from the date both parties have signed it. The contracting authority can give 3 months notice on the contract, equivalently, the tenderer can, with a justifiable reason, give 6 months notice on the contract. Written notice shall be given.

VAV estimates that the consumption will be approx. 30 000 000 NOK per annum. If the consumption under the framework agreement is greater than expected, the contracting authority reserves the right to give notice on the contract if the upper cost limit has been reached.

### **II.2.2. Information about options**

Options: no

### **II.2.3. Information about renewals**

This contract is subject to renewal: no

## **II.3. Duration of the contract or time limit for completion**

Duration in months: 048 (from the award of the contract)

**III.1. Conditions related to the contract**

**III.1.1. Deposits and guarantees required**

**III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

**III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

**III.1.4. Contract performance conditions**

The performance of the contract is subject to particular conditions: no

**III.2. Conditions for participation**

**III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions: Requirement: The tenderer shall be a legally established company.

Documentation requirement:

— Norwegian companies: Company Registration Certificate;

— Foreign companies: Proof that the company is registered in a trade register or company register as prescribed in the law in the country where the service provider is established.

**III.2.2. Economic and financial ability**

List and brief description of conditions: Requirement: Tenderers must have sufficient financial capacity to carry out the assignment/contract.

Documentation requirement:

— The company's last 3 annual accounts including notes, the board's annual reports and the auditor's reports, as well as recent information that is of relevance for the company's accounting figures. And

A credit assessment/rating, not older than 3 months, which is based on the most recent financial figures.

**III.2.3. Technical and professional ability**

List and brief description of conditions:

Requirement:

Tenderers shall have experience from projects of a corresponding nature and complexity.

A corresponding nature means securing/renovating tunnels that are in particularly bad condition.

Tenderers shall have experience from at least two projects of the above mentioned extent.

Documentation requirement:

An overview of work carried out during the last 5 years, together with testimonials of satisfactory execution of the most important work. The testimonials should state the value, time frame and place the work was carried out and indicate whether the work was professionally executed and properly completed.

The authority in question shall, if necessary, send the testimonials directly to the contracting authority.

Requirement:

Good competence and good capacity are required in accordance with the requirement specifications.

Documentation requirement:

An overview/description shall be given of the tenderer's technical personnel or technical entities that the tenderer has at their disposal to fulfil the contract. An organisation chart can be included in this description.

Information/CVs on the education and professional qualifications of the tenderer, the company's administrative management and particularly for the person or persons who will be responsible for fulfilling the framework agreement.

An account of the tenderer's average workforce and the number of employees in the administrative management in the last 3 years.

Requirement:

Tenderers must have a good and well-functioning HSE and quality assurance system adapted to suit the content of the contract.

Documentation requirement:

Certificate for the company's quality system/management system issued by independent bodies that confirms that the tenderer fulfils certain quality assurance standards, for example ISO 9001 or equivalent.

The Contracting Authority will also accept other documentation which shows that the tenderer has equivalent quality assurance measures. As a minimum, a general description of the system's content, including an overview of inspection plans and check-lists that are relevant for this contract, must be submitted.

Requirement:

Tenderers must have a well-functioning quality assurance system / quality management system.

Documentation requirement:

An account of the tenderer's environmental control/environmental management system. If a tenderer is certified, it is sufficient to enclose copies of certificates issued by the independent body. Reference is made here to EMAS (the joint scheme for environmental management and environmental audits) or equivalent environmental management standards based on relevant European or international standards.

The contracting authority will also accept other documentation of equivalent environmental management measures from tenderers.

### **III.2.4. Information about reserved contracts**

### **III.3. Conditions specific to services contracts**

#### **III.3.1. Information about a particular profession**

Execution of the service is reserved to a particular profession: no

#### **III.3.2. Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

## **Section IV: Procedure**

---

### **IV.1. Type of procedure**

#### **IV.1.1. Type of procedure**

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures) no

#### **IV.1.2. Information about the limits on the number of candidates to be invited**

Envisaged minimum number 3: and Maximum number 5

Objective criteria for choosing the limited number of candidates: The contracting authority will choose the tenderers who best fulfil the technical/professional qualification requirements if there are too many qualified tenderers.

#### **IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue**

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated no

#### **IV.2. Award criteria**

##### **IV.2.1. Award criteria**

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

##### **IV.2.2. Information about electronic auction**

An electronic auction will be used: no

#### **IV.3. Administrative information**

##### **IV.3.1. File reference number attributed by the contracting authority**

106/2016

##### **IV.3.2. Previous publication concerning this procedure**

no

##### **IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document**

Payable documents: no

##### **IV.3.4. Time limit for receipt of tenders or requests to participate**

23.11.2016 - 12:00

##### **IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates**

##### **IV.3.6. Languages in which tenders or requests to participate may be submitted**

Other: Norwegian.

##### **IV.3.7. Minimum time frame during which the tenderer must maintain the tender**

##### **IV.3.8. Conditions for opening of tenders**

#### **Section VI: Complementary information**

---

##### **VI.1. Information about recurrence**

This is a recurrent procurement: no

##### **VI.2. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds: no

##### **VI.3. Additional information**

**VI.4. Procedures for review**

**VI.4.1. Review body**

**VI.4.2. Review procedure**

**VI.4.3. Service from which information about the review procedure may be obtained**

**VI.5. Date of dispatch of this notice**

24.10.2016
