Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

The bus lane section Ruten-Vatnekorssen, a zoning plan with an environmental impact assessment and a construction plan, including preparation of the Tender Documentation.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Rogaland, Norway.

NUTS code NO043 Rogaland

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The assignment includes consulting, planning and engineering design, as well as following up in the construction stage of the new Bus Lane section from Ruten to Vatnekrossen, both situated in Sandnes municipality. The main cycle route structure along the county road, as well as municipal roads connected to the county road shall also be considered. Structures such as bridges, retaining walls, etc. shall be assessed. The management of flood-water is also an important part of the work. The stretch is approx. 3 km and goes from the centre of Sandnes (Ruten) to county road 332 Gravarsveien/Hanaveien and up to the county road 332 Skippergata until it meets Vatnekrossen (national road 13).

A plan program and a zoning plan with an environmental impact assessment, including a technical detail plan with accompanying elucidations shall be prepared, as well as providing general assistance for the formal plan process.

The assignment also includes an option for a construction plan, i.e. the preparation of a complete tender documentation, including drafts for model based engineering design. The NPRA (Statens vegvesen) template in handbooks R761 og R762; the Procedure Code shall be applied. As well as follow-up in the construction stage.

II.1.6. CPV code(s)

71240000 Architectural, engineering and planning services, 71315200 Building consultancy services, 71322500 Engineering-design services for traffic installations, 71356400 Technical planning services, 71400000 Urban planning and landscape architectural services, 90712100 Urban environmental development planning, 71242000 Project and design preparation, estimation of costs, 71320000 Engineering design services
