II.1.4. Short description

With this procurement, IKT Nordfjord [ICT] will enter into a framework agreement with a supplier for the purchase, assembly and commissioning of solutions for meirope libraries. Such solutions will be purchased for Gloppen kommune [Gloppen Municipality], as well as for two libraries in Kinn kommune [Kinn Municipality] in 2021. It is uncertain whether Bremanger and Stad municipalities will use the contract in the period. Stryn Municipality introduced meirope libraries in 2020, but will have the right to make supplementary purchases if this is possible with the systems they utilise. There is an opportunity to purchase complete systems or supplementary purchase/individual components for all of the municipalities in the ICT Cooperation. The contract is based on the government's standard contract for the procurement of software and equipment (Norwegian abbreviation: SSA-K). The contract duration is two years with an option to further extend for 1 year + 1 year.
