K206 Interior construction works

Statsbygg has been given the task of planning and preparing the execution of a new university college site for Bergen Academy of Art and Design with a starting point of 300 students. The development in Møllendal will locate all students and employees in the same place, thus providing more effective teaching.

The new premises for the Bergen Academy of Art and Design in Møllendal in Bergen are planned with a gross area of 14 500 m². The project comprises 1 large building structure with workshop courtyard, workshops, project room, studio, workroom, auditorium, offices for the administration, library, video and sound studio as well as a project hall.
