II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

It was decided to use the aforementioned negotiated procedure as:

- the weapon has recently, as part of the 'POCAT' project (no. 31.5.1 of the project) procured no. 37 remotely controlled robotic vehicles (ROV) brand 'Roboteam' mod. 'TIGR',
- as part of a proposal to reuse the economies of the aforementioned project, the application to resort to the derogation procedure was authorized by the T.A. Management of European Funds and PON of the Min. Int. - Dept. P.S .,
- the procurement of a camera produced by a company other than the original supplier of the TIGR could be totally incompatible with the software installed on the ROVS and would require complex procedures, with uncertain outcomes, for integration into vehicle mechanics.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.8. Information about termination of dynamic purchasing system
