II.1.4. Short description

RTÉ is planning to fully replace the systems and equipment currently used to provide subtitles and audio description. We expect that replacing this infrastructure will provide fully redundant subtitle and audio description creation, scheduling and insertion capability for all channels. We also expect that the new systems should utilise new technologies, improve functionality, and

ideally simplify and consolidate the infrastructure. We are aiming to create better customer experiences across all platforms and easier and faster workflows for the RTÉ subtitles and AD creation teams.
