II.2.4. Description of the procurement

NHS London Procurement Partnership are undertaking a full EU procurement tender to establish a framework agreement for the provision of medical cylinder gases, related consumables and cylinder tracking services which may include internal and external tracking capabilities.

The framework agreement will allow NHS organisations identified below to create call-off contracts for the supply of goods and/or services as appropriate to their organisation. The framework call-off ordering procedure includes the mixture of direct award and mini-competition routes.

The list below identifies the bodies to whom the use of this framework agreement will be open. This shall also include any successors and organisations created as a result of structural re-organisation during the life of the framework agreement. Sustainability and transformation partnerships (STPs) and any future integrated care systems which evolve from STPs within the London and South East Coast region will also be able to access this framework agreement (see <https://www.england.nhs.uk/integratedcare/stps/> for further details).
