2.1. Procedure

Title: Procurement of process management

Description: The aim of the procurement is to enter into a framework agreement with an experienced consultant or consultant in process management who, on behalf of and in close cooperation with the contracting authority (NGU), shall manage and facilitate the clarification phase in project development up until the completion of an OFP report (start-up preliminary project report). The process manager shall be a clear, structured and determined facilitator that ensures progress, involvement and anchoring at the contracting authority. Statsbygg will be responsible for the preparation of the OFP report, but the procured process leader shall ensure a structured and involving process internally at the contracting authority and between relevant actors, so that the necessary clarifications, decisions and basis are available for the work on the report.
