Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation: company registration certificate.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: tenderers must have sufficient economic and financial capacity to fulfil the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement: a credit rating based on the most recent fiscal figures. The rating must be carried out by a credit rating company with a license to conduct this service.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: tenderers must have experience from comparable assignments.

Documentation requirement: description of up to three of the tenderer's most relevant assignments during the last 3 years, Appendix 6: Response Form experience must be completed. The list must include a statement of the deliveries' value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description.

Requirement: tenderers must have sufficient ability and the capacity to comply with the contract obligations.

Documentation requirement: tenderers must enclose a list of their average workforce and the number of employees in management during the last 3 years.

Requirement: the tenderer's personnel must have all of the necessary authorisations, certificates of apprenticeship etc. required to manage and execute the relevant work. There must be at least two employees with certificates of apprenticeship that can carry out the assignment/service.

Documentation requirement: information about education and professional qualification of the offered personnel that will carry out the assignment must be completed on the competence form, cf. Appendix 7.

Requirement: the company must have resources that have competence meeting at least enterprise classification 1 in the applicable building regulations (SAK 10) for the function of executor for the following area of responsibility: sanitary installations.

Documentation requirement: documentation of education level and work experience. Complete competence form, cf. Appendix 7.

III.2. Conditions related to the contract

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
