II.2.11. Information about options

Options: yes

Description of options:

An option is wanted for private/non-profit managers of the contracting authority's institutions and entities organised under the agency for the elderly, health and labour (EHA) to join the contract and implement the service in the contract period. A decision has not yet been made as to whether this option will be taken up or not, this will, amongst other things, depend on organisational assessments at the contracting authority connected to the administration of the contract and the need for the service in the entities in question. The option can be taken up for one and one entity or for individual units in one entity throughout the contract period. SYE will be the contract party for the tenderer if the option is taken up. The practical implementation will, however, be agreed with each individual entity.

The entities are not obliged to use the option and they can enter into separate contracts for stock management systems with other suppliers.
