II.2.4. Description of the procurement

The Authority is seeking to establish a Contract for both Staffordshire Police (SP) and Staffordshire Fire and Rescue Service (SFRS) with suitably qualified organisations to provide vehicle repairs, both body and mechanical, vehicle modifications and equipment fitting as specified by JETS, preparation of vehicles for sale services on a non-exclusive basis. Repair services are required to cover all vehicles owned, leased or in the property of the Authority or Collaborative participant and in some jurisdictions to cover work for third party vehicles. It is envisaged that Contractor's will be selected based on their ability to provide a holistic service which is sufficiently flexible to meet the changing demand of the emergency services and locally based in order to support a timely response for the geographical location of Staffordshire. These services are to include but not be limited to inspection, adjustment, restoration, and body work, replacement of assemblies and components used to construct an emergency services vehicle and general repair work, which could take place in a workshop or as a mobile service (limited services). The Authority or Collaborating participant will scrutinise and assure the quality and cost of services provided throughout the life of the contract. Assessment work will include but not be limited to, the inspection of returned vehicles, scrutinising of estimates and invoices. Vehicle repair is a vital service to ensure the smooth running of the Police and Collaborating participant(s) fleets. It is imperative that organisations to be included on the contract are able to demonstrate how emergency services work will be prioritised and completed in a timely manner as well as understanding the impact of excellent transportation particularly for Police work and should at all times show professionalism and competence.
