Environmental monitoring other than for construction. The Authority has a potential requirement for the Supply of a Heat Stress Monitor. At present the possible future requirement covers, but is not limited to, the following equipment:
Supply of Qty 100 QT34 Heat Stress Monitors — 6685-99-665-9590.
The Authority may require additional qty's further to the initial requirement, over a period of 3 years.
Articles will need to be supplied with a Certificate of Conformity.
QA Standards or equivalent: The Contractor shall hold and maintain a certification to BS EN ISO 9001:2000/2008, issued by an accredited certification body.
Expressions of Interest will be via the Dynamic Pre-Qualification Questionnaire linked to this

Contract Notice. Only those expressions of interest that fully meet the above criteria and DPQQ shall be considered for Invitation to Tender.

The announcement of a possible future requirement is not to be construed as confirmation that a tender/contract will subsequently be issued. The issue of a possible future requirement, or the issue of an Invitation to Tender, is not to be construed as a commitment by the Authority to place an order as a result of the tendering stage or at a later stage. Any expenditure, work or effort prior to any contract award is accordingly a matter solely for the commercial judgement of the potential supplier.

VI.2. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the contract will be awarded on the basis of the most economically advantageous tender. Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at www.contracts.mod.uk The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.

From 2.4.2014 the Government is introducing its new Government Security Classifications Policy (GSC) to replace the current Government Protective Marking Scheme. A key aspect of this is the reduction in the number of security classifications used. All suppliers to the Department are encouraged to make themselves aware of the changes as it may impact on this Requirement. The link below to the Gov.uk website provides information on the new GSC.

<https://www.gov.uk/government/publications/government-security-classifications>

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), the Authority reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise.

Advertising Regime OJEU: This contract opportunity is published in the Official Journal of the European Union (OJEU), the MoD Defence Contracts Bulletin and www.contracts.mod.uk GO Reference: GO-2014115-DCB-6139838.
