Section II: Object of the contract

II.1. Description

II.1.1. Title

Body Build Conversions of Vans to Police Support Unit Vehicles.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Various locations throughout Scotland for Scottish Police Forces.

NUTS code UKM Scotland

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

The framework agreement is for the conversion of Iveco Daily 50C17 vans, or other van manufacturers equivalent, with extra high roof to police support unit vehicles.

The vehicles to be converted will be purchased by a Participating Authority. The Contractor will uplift the vehicles from the Participating Authority for the purposes of the body build conversions and return the converted vehicles to the Participating Authority.

The requirement will include elements for protection, internal and external conversions.

Protection conversions will be required for: windscreen (glass and external mesh); door glass; doors and door trims; radiator; fuel tank; exhaust; lights; interior roof; and run flat tyres.

Internal conversions will include: additional seating; flooring; sidewalls and roof panels; overhead storage; shelf storage; heating, ventilation and air cooling systems; grab rail; one person containment cell; split charge system; 12 volt sockets; inverter system; and interior lighting.

External conversions will include: blue light system; roof aerials; and side windows.

The warranty offered for all parts, materials and workmanship supplied and/or installed by the Contractor must have an on site parts and/or labour warranty of at least 12 months.

Facilities must be made available for periodic inspection of the conversion(s) by the Participating Authority's Authorised Officer, during and at completion of, the construction(s).

II.1.5. CPV code(s)

Section VI: Complementary information

VI.1. Information about European Union funds

VI.2. Additional information

(SC Ref:246300).

VI.3. Procedures for review

VI.3.1. Review body

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: If proceedings are served on the Contracting Authority in relation to a framework agreement that has not yet been entered into, the procurement process will be automatically suspended. The Public Contracts (Scotland) Regulations 2012 (as amended) provide for aggrieved parties to take action in the Sheriff Court or Court of Session. Any proceedings brought under the Regulations (other than proceedings seeking an ineffectiveness order) must be brought within thirty days of the date on which the unsuccessful party knew, or ought to have known, that grounds for starting the proceedings had arisen unless the Court considers that there is a good reason for extending the period within which proceedings may be brought, in which case the Court may extend that period up to a maximum of three months from that date. Any proceedings seeking an ineffectiveness order must be brought within thirty days of the relevant date under Regulation 47 (8) of the Public Contracts (Scotland) Regulations 2012 (as amended), or, if neither of the circumstances in Regulation 47 (8) apply, within six months of the date the framework agreement was entered into.

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

29.11.2012
