Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1.

Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

4.1 The tenderer's certificates, authorisations, etc.

REQUIREMENT: The tenderer must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

DOCUMENTATION REQUIREMENT:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Verification showing that the tenderer is registered in a company register, professional register or a trade register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

REQUIREMENT: Tenderers must have sufficient economic and financial capacity to fulfil the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

DOCUMENTATION REQUIREMENT:

- A credit rating based on the most recent financial figures. The rating must be carried out by a credit rating agency with a licence to provide such service.
- The contracting authority can obtain further credit ratings or other financial information such as, but not limited to, the annual accounts including notes, the board's annual reports, and the auditor's reports.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

Minimum level(s) of standards possibly required:

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

REQUIREMENT: The tenderer shall have experience from comparable assignments.

DOCUMENTATION REQUIREMENT: Description of the tenderer's up to 3 most relevant assignments in the last 3 years. The description must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to confirm relevance through the description. Relevant assignment means in this context a crew vehicle of practically the same size and complexity as that described in Appendix 1.

REQUIREMENT: The tenderer must have sufficient professional and technical personnel to carry out the contract.

DOCUMENTATION REQUIREMENT: Description of technical personnel or technical units at the tenderer's disposal to carry out the contract.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

Cf. Annex 1_ The contracting authority's specifications.
