Legal type of the buyer: Public undertaking

Activity of the contracting authority: Health

2. Procedure

2.1. Procedure

Title: Ventilation services for Østfold Hospital.

Description: A framework agreement shall be signed for ventilation services in the health company's premises/buildings. The service will be for ventilation services with the accompanying equipment deliveries in connection with ongoing and emergency maintenance and minor alteration works. The contracting authority will, as a main rule, carry out maintenance on the ventilation installations, but will also need to purchase this service (or parts of it) in some cases. Annex 10 - "Property Overview" contains an overview of which locations the customer is currently using. There will be changes in the contract period. In such cases the tenderer will get information on changes. New locations will be included on the same terms as those in the overview today. Major works will be published in accordance with the law and regulations on public procurements.

Previous notice: c2cf1195-f396-4009-b151-6caaf9593d2c-01

Internal identifier: 2025/54950

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The estimated value is approx. NOK 1,500,000 excluding VAT. Total VAT for all contract areas. This will vary a number from year to year. This also does not involve any purchasing obligation for the Contracting Authority. The expected value is estimated based on historical figures and future projects/maintenance work, which involves some uncertainty in the form of budget coverage. See the Requirement Specifications and the Price Form for further details. The turnover on the contract will have a maximum value that is partly considerably higher than that stated per annum. The estimated maximum value is NOK 7,000,000 excluding VAT over 4 years.
