PCH will allow a period of at least ten (10) calendar days between the date it gives notice to candidates of the decision to award the proposed agreement and the date on which it proposes to conclude the agreement. If, by midnight at the end of the second working day of the ten (10) day standstill period, PCH receives a request in writing from a candidate as to why it was not successful, PCH is required to provide additional information to the candidate.

That information must be provided at least three (3) working days before the expiry of the ten (10) days' standstill period (though the standstill period may be extended if it is not possible to provide the information in time). Requests for additional information should be sent to the contact at section 1.1. An aggrieved candidate who claims that it has suffered or risked loss or damage as a result of breach by PCH of its duties under the Public Contracts Regulations 2015 may take proceedings in the High Court.
