**II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**

**II.1.4. Short description of the contract or purchase(s)**

As a part of the Joint Project New E6 and Dovre Railway a new double track shall be constructed for a railway between Langset and Kleverud. The new track is 17km long and runs along the east side of Mjøsa north of Minnesund. This contract is for all track and contact line work for the new double track. The work shall be carried out in the period from spring 2013 to

autumn 2015. The work will be carried out in three main phases for the phasing in of the new tracks. Parallel with the track and contact line work in this contract, electricity and telecommunication work shall also be carried out for the new double track. The contract is being announced in a separate contract at the same time as this notice. Contractors that are qualified for both of these contracts can give a total tender for both contracts (track, contact line, electricity and telecommunication work).

**II.1.5. CPV code(s)**

45234100 Railway construction works
