

United Kingdom-Henlow: Portable radios
OJ S 221/2013 14/11/2013
Contract award notice
Supplies

Directive 2004/18/EC

Section I: Contracting authority

I.1. Name and addresses

Official name: Air Defence & Air Traffic Systems (ADATS), DE&S
Postal address: Room C48, Bldg 85, RAF Henlow
Town: Henlow
Postal code: SG16 6DN
Country: United Kingdom
Contact person: ADATS Commercial Manager
For the attention of: James Hill
E-mail: james.hill787@mod.uk
Telephone: +44 1462851515/4095

I.2. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.3. Main activity

Defence

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title

Provision of Replacement Secure Management Radio Equipment Capability.

II.1.2. Type of contract and place of performance or delivery

Supplies
Purchase
NUTS code UK United Kingdom

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

Portable radios. Radio transmission apparatus with reception apparatus. Radio-frequency booster stations. The Authority has a requirement for the whole replacement of the current RAF Secure Management Radio Equipment (SMRE) capability. The purpose of SMRE is to allow Air Traffic Control (ATC) to direct the safe movement of vehicles and personnel on the airfield manoeuvring area. It is also used in a secondary role to provide direct communication between ATC and support sections (eg guard service, medical centre, refuellers and fire crews). The project also includes the requirement for the continued support of the Radiating Cable (also called "Leaky Feeder") system.

The current SMRE system consists of Philips Telecom PRF2000 Base Stations, Philips Telecom M15 Controller, Philips Telecom FM1100 desk unit, Philips Telecom FM1100 vehicle unit, Philips Telecom FM100 transportable unit, Philips Telecom PRP73 and Philips Telecom PRP78 handsets. The associated ancillary equipment potentially require replacement: batteries, battery chargers, multiple battery chargers aerials/antennas, installation kits, vehicle adaptors, hand microphones and ear pieces etc. The replacement must provide a fit/form /function (secure speech) capability.

All SMRE equipment must comply with the Cap 670 Civil Aviation Authority standards for airfield communications and the Radio and Telecommunications Terminal Equipment Directive. All SMRE equipment must work on licensed bandwidths either provided by the MOD or under license from the supplier. The Supplier is required to provide a fit/form/function replacement per unit (i.e. one vehicle unit for an equivalent radio with the necessary adaptor if required).

A Pre Qualification Questionnaire (PQQ) may be used as part of the down selection process. The PQQ document will be made available to all interested parties who express an interest in this project. It can be obtained initially from James Hill, ADATS Commercial Manager, at the address at section 2 above (and telephone number (01462) 851515 x4095) and it will be published on-line after the publication date of this notice. Please be advised that the close date for the receipt of Expressions of Interest in Section iv 3.4 is 2.1.2013 but the Authority will allow a close date of 9.1.2012 for the receipt of completed PQQs.

P2P shall be the payment mechanism for this requirement.

II.1.5. CPV code(s)

32344280 Portable radios, 32230000 Radio transmission apparatus with reception apparatus, 32233000 Radio-frequency booster stations

II.1.6. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.2. Total value of the contract/lot

II.2.1. Total value of the contract/lot

Value: 8 564 000 GBP
excluding VAT

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of

1. Technical Compliance. Weighting 100
2. Affordability. Weighting 100

IV.2.2. Information about electronic auction

An electronic auction has been used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

ADATS/357

IV.3.2. Previous publication concerning this procedure

Prior information notice

Notice number in the OJ S: [2012/S 162-269850](#) of 24.8.2012

Section V: Award of contract

Contract No: ADATS/357

V.1. Date of conclusion of the contract

28.10.2013

V.2. Information about tenders

Number of tenders received: 3

Number of tenders received by electronic means: 0

V.3. Name and address of the contractor

Official name: Petards Joyce-Loebl Limited

Postal address: 390, Princesway, Team Valley, Gateshead

Town: Tyne & Wear

Postal code: NE11 0TU

Country: United Kingdom

E-mail: dan.cochrane@petards.com

Telephone: +44 1914203000

V.4. Information on value of the contract/lot

Total value of the procurement:

Value: 8 564 000 GBP

excluding VAT

V.5. Information about subcontracting

The contract is likely to be subcontracted: yes

Value or proportion likely to be subcontracted to third parties:

Proportion: 60 %

Short description of the value/proportion of the contract to be sub-contracted: Radio Equipment.

Section VI: Complementary information

VI.1. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.2. Additional information

Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at www.contracts.mod.uk. The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved

by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.

Advertising Regime OJEU: This contract opportunity is published in the Official Journal of the European Union (OJEU), the MoD Defence Contracts Bulletin and www.contracts.mod.uk GO Reference: GO-20131113-DCB-5261833.
