### **II.1.4. Short description**

HUS Group (thereinafter also "HUS" or "Procuring Entity") calls for tenders for Prefilled Formalin Containers for biopsy, tissue and stool specimen for HUS and HUSLAB.

The safety for operators using Prefilled Formalin Safetycontainers must be guaranteed and exposing to formalin vapor must be prevented by structural properties of Containers. Exposing must be prevented, for example, with a closed system or a pressure-based solution.

Parallel tenders are accepted. Procuring Entity encourages tenderer to submit parallel tenders should they have more than one safetycontainer product available.

As a result of this procurement HUS selects two (2) suppliers in order of priority with whom it shall sign a contract. Procuring Entity will order and use selected products according to the order of priority described in the future procurement decision. However, Procuring Entity may deviate from order of priority if the selection of Supplier does not contain the product required by Procuring Entity, Supplier has delivery difficulties, Supplier is unable to perform in accordance with the contract, the contract with Supplier has been terminated prematurely and /or if the need of Procuring Entity otherwise requires it.

The supply period is estimated to begin in 2023. The contract is in force for a fixed period of 24 months and thereafter until terminated.

The subject-matter of the procurement and the mandatory requirements of it are described in detail in this call for tenders and its attachments.
