Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Tenderers are to provide security in accordance with NS 8405 point 7.2.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Tender documentation — general part.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: It is an absolute requirement that the contractor shall follow and comply with all the relevant laws and regulations for the execution of the contract. The contractor is obligated to ensure that wages and working conditions at the company's sub-contractors are in accordance with the regulations on wages and working conditions in public contracts. The contractor is obligated, upon request from the Builder/or his representative, to provide documentation of the wages and working conditions for employees who contribute to the fulfilment of the contract. A breach of any of the provisions in the regulations on wages and working conditions in public contracts will be seen as a contract breach and can lead to sanctions of withholding remuneration.

Cf. the regulations on wages and working conditions in public contracts. The contracting authority requires a self-declaration stating that the contractor does not have worse wages and working conditions than those in the current nationwide tariff agreement or what is otherwise seen as normal for the place and vocation in question. This applies for both employees at the contractor and for employees at any sub-contractor, who directly contribute to the fulfilment of the contract. The contracting authority will have the same requirements in the contract.

— A self-declaration on wages and working conditions shall be enclosed with the tender.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Tenderers are required to have a legally established company. The tax certificate shall not be older than 6 months from the tender deadline.

Norwegian tenderers:

Company registration certificate from the company register in the Brønnøysund Register Centre.

Foreign tenderers:

Certificates, not older than 6 months, of registration in professional registers as determined by legislation in the countries in which the tenderer is established.

Documentation for paid tax and VAT certificate. The certificate shall not be older than 6 months calculated from the tender deadline. Tenderers must not have significant VAT arrears or an approved repayment plan shall be in existence.

Tax and VAT certificate.

Foreign companies:

Certificate issued by the competent authority in the tenderer's home country certifying that the tenderer has fulfilled his obligations regarding fees in accordance with the laws of the country where the tenderer is established.

III.2.2. Economic and financial ability

List and brief description of conditions: Tenderers shall have settled financial conditions and the financial capacity to fulfil the contract. Tenderers must achieve a minimum rating of good creditworthiness.

A credit assessment from a certified credit assessment company that shows that the tenderer has good credit worthiness and which shows the turnover figures. The credit rating shall not be older than 6 months from the deadline for receipt of tenders.

III.2.3. Technical and professional ability

List and brief description of conditions:

Tenderers shall have experience from at least 2 relevant assignments as regards the extent and complexity.

Tenderers shall enclose a list of the most relevant assignments in the last 3 years.

As a minimum the contract value, date of execution, the contracting authority and the name and email address of a contact person shall be provided.

The references will only be contacted if required.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure
