II.1.4. Short description of the contract or purchase(s)

A framework agreement shall be signed for the procurement of headsets for the 113-centres, emergency doctor surgeries (116117) and emergency reception in Health. All those covered by the contract shall be able to place call-offs/orders. See the tender documentation for further details on these.

In this requirement specification, headsets mean all types of headsets that can be used by the above mentioned department.

It shall be possible to deliver both wireless and wired headsets, as well as accessories and spare parts.

The offered equipment is expected to be of good quality and it shall tolerate the climatic conditions and physical stresses that it will be exposed to during Helse's operative use. At the same time, the offered equipment is expected to be as flexible as possible and impede the user as little as possible.

All the headsets must be adapted to and tested with the telephony systems in Nødnett Helse. In addition to the equipment delivered for the telephony system that Helsetjenesten currently uses, the chosen tenderer is expected to be also able to deliver equivalent equipment for telephony systems that are chosen by Helse in the future.

The equipment supplier is required to have an online store where Helse can choose and order all the equipment included in the contract from the supplier. Each orderer shall be able to place an order in the online store for a delivery in their own name with the accompanying delivery address, invoice address etc.

See the specifications, part 2 Annex 1 for further information on the contract's extent and content.
