II.1.4. Short description of the contract or purchase(s)

The Forestry Commission is inviting tenders for the supply of Temporary Forest Road Bridges in North Scotland.

Our intention is to award this framework agreement to a single supplier for a period of three years.

The bridges are intended for sites within the forest estate for the use of timber haulage vehicles and timber harvesting equipment.

Suppliers will be expected to deliver to central depots and forest blocks within Scotland, and on occasion using the internal forest road network.

The initial purchase will be for three 15m Forest Road Bridges.

Preference will be given to modular bridge designs which may be assembled as different spans and configurations.

A detailed specification is included within the tender documentation.
