II.1.5. Short description of the contract or purchase(s)

We ask for a tender for a full conventional x-ray laboratory for imaging injuries . The laboratory shall not be used for interventional radiology. Therefore there is no requirement for fluoroscopy functionality or C-loop solution.

The laboratory will be the department's imaging injuries/acute laboratory. There are up to 125 examinations performed per day. There is therefore great demand for functionality, capacity, ergonomics and user-friendliness Good functionality for investigation of small bones, inserted projections and chest X-ray is therefore emphasized .

X-Ray Laboratories shall be installed at the Departments of Medical Imaging, Namsos and Levanger Hospitals.
