### 2.1. Procedure

Title: Purchase of electric Zero-Turn sitting grass mowers

Description: The aim of the procurement is to ensure efficient and cost efficient maintenance of the contracting authority's green areas, at the same time that the municipality implements the transition from fossil driven to electric lawn mowers. The contract is for the procurement of four electric Zero-Turn sitting grass mowers for the graveyards in Oslo municipality, including the necessary number of batteries and chargers. Please note that the estimate is only a guideline and is without obligation for the Contracting Authority. The number of mowers procured will depend on whether the offered price is compatible with the contracting authority's budget. In addition there is an option for the procurement of up to 6 lawn mowers, twice the set of removable and rechargeable batteries, as well as the required number of chargers. The stated meaning represents the maximum extent of the options. The contracting authority reserves the right to trigger the options completely or partly and is not obliged to use the full extent of the option. We would like all vehicles to be delivered as soon as possible after the contract has been signed, and at the latest by 15 September 2026 so that the Contracting Authority's employees have sufficient training and that the equipment is ready for use as soon as possible. The contract has an estimated extent of NOK 2,500,000 excluding VAT.

#### **5.1.9. Selection criteria**

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: The tenderer shall be a legally established company.

Documentation requirements: Norwegian companies: Company Registration Certificate.

Foreign companies: Proof that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Criterion: Other economic or financial requirements

Description of selection criterion: The tenderer shall have sufficient economic and financial capacity to be able to fulfil the contract. Documentation requirements: The company's last Annual Financial Statements including notes, the Board's Annual Report and Audit Report, as well as new information of relevance to the company's fiscal numbers. The contracting authority reserves the right to obtain credit appraisal on its own initiative. If a tenderer has a justifiable reason (e.g. newly started company) of not submitting the documentation that the Contracting Authority has required, he can document his economic and financial capacity with any other document that the Contracting Authority deems suitable.

Criterion: Environmental management measures

Description of selection criterion: Tenderers are required to have implemented environmental management measures that ensure that the tenderer is suitable to fulfil the contract's environmental provisions (see contract point 11.2). This means that the tenderer has methods for working actively and systematically to reduce negative environmental impact from activities connected to the execution of this contract. Documentation requirements: A description of the tenderer's environmental management measures. If a tenderer has certificates from independent bodies that document the environmental management system, they can be presented as documentation. Refer to the EU Scheme for Environmental Management and Environmental Audit (EMAS), other recognised environmental management systems in regulation (EF) no. 1221/2009 article 45, or equivalent, and other environmental management standards based on relevant European or international standards from accredited bodies such as ISO 14001 or equivalent.

Criterion: Measures for ensuring quality

Description of selection criterion: Tenderers shall have a relevant quality assurance system for the content of the contract. Documentation requirements: A description of the tenderer's quality assurance methods. Alternatively: Certificate for the company's quality assurance system issued by independent bodies that confirms the tenderer fulfils certain quality assurance standards, for example ISO 9001:2015.

Criterion: Supply chain management

Description of selection criterion: Tenderers shall be suitable to fulfil the contractual requirements for due diligence assessments for responsible businesses [see point 12 of the contract formula]. This means that the Tenderer has implemented measures and systems that are used in the Tenderer's work to safeguard basic human rights and decent working conditions, as well as to prevent environmental degradation and corruption. Documentation requirements: A description of the tenderer's systems for working with due diligence assessments in accordance with the UN's guiding principles for business and human rights (UNGP) and OECD's guidelines for multinational companies. The documentation shall include: Formal policy/guidelines that cover an obligation to comply with the requirements of responsible business.

Criterion: References on specified deliveries

Description of selection criterion: Tenderers shall have experience from similar assignments. Similar assignments mean deliveries of the same nature and scope as in this procurement, with particular emphasis on service and maintenance. Documentation requirements: Short description of the up to two most important deliveries in the last three years calculated from the tender deadline, including information on the contract's value, date of delivery as well as the name of the contracting authority and a description of the assignment's content.
