Value of all contracts awarded in this notice: 36 933 187,28 EUR

Direct award

:

Justification for direct award: Extreme urgency brought about by events unforeseeable for the buyer

Other justification: Private Public Partnerships/ Buying of Beds Agreements between the AACC and Private Homes for long term care beds are done in view of the current global increase in life expectancy. Nevertheless, AACC is being inundated with requests from Mater Dei Hospital (MDH) to admit patients in our residential care homes due to the large influx of patients being admitted at MDH and in view of the always long waiting list of elderly people waiting to reside in a care home, which are the main reasons of renewing the contract with private care homes.
