Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Please refer to the submission document.

III.1.3.

Legal form to be taken by the group of economic operators to whom the contract is to be awarded

No special legal form is required. If the contract is awarded to a consortium of Insurers, the consortium must be jointly and severally liable towards the contracting authority for the fulfillment of the contract and one Insurer must have the power of procuracy for the consortium.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: A solemn declaration as to whether the tenderer has fulfilled obligations relating to the contribution of social security contributions in accordance with the legal provisions of the country in which the tenderer is established, and in Denmark, and whether the tenderer has fulfilled obligations relating to the payment of taxes in accordance with the legal provisions of the country in which the tenderer is established and in Denmark.

As an alternative to a solemn declaration a service certificate from the Danish Commerce and Companies Agency can be submitted containing the same information. It is important that the solemn declaration (or certificate) relates specifically to the legal entity (eg. Company) submitting the offer. Foreign bidders who use a similar certificate compared to the certificate from the Danish Commerce and Companies Agency from their country of origin, must also submit a solemn declaration concerning their obligations in Denmark. Regarding associations of companies/business units (eg. Consortium) the information must be given for each participant. The bidders must provide the following documentation for the right to carry out insurance business: Evidence that the bidder has the relevant authorization in accordance with legislation and regulation of insurance companies in the country where tenderer is established. Regarding associations of companies / business units (consortia), the proof of the right to exercise insurance duties shall be provided for each economic operator / company.

A specimen solemn declaration can be found on <https://aonline.aon.com>

The log in details are as follows:

User Name: Borkum1

Password: Riffgrund59 (Passwords are case sensitive)

III.2.2. Economic and financial ability

List and brief description of conditions: 1) Latest rating from an approved Rating Agency, see C262/12 list of credit rating agencies registered under the European Parliament and Council Regulation (EC) No 1060/2009 on credit rating agencies. Regarding associations of companies/ business units (consortia) the data in section 1) shall be provided for each company/business unit.

The tenderer must have a rating of at least BBB by Standard & Poor's or Fitch or the rating Baa2 by Moody's or equivalent rating from an approved rating agency, cf. C 262/12 list of credit rating agencies registered in accordance with European Parliament and Council Regulation (EC) No 1060/2009 on credit rating agencies.

Regarding associations of companies/business units (consortia) the minimum requirements must be fulfilled by the companies / business units combined.

If the economic operator of a valid reason is unable to provide any of the contracting authority,

he may prove his economic and financial standing by any other document which the contracting authority considers appropriate.

III.2.3. Technical and professional ability

List and brief description of conditions: 1. References or similar documentation for experience with services performed within the last 3 years of same or similar type as the tendered services.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: yes
Reference to the relevant law, regulation or administrative provision: The tender is reserved for applicants who have relevant concession according to legislation and regulation for insurance companies in the country where the applicant is registered.

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures): no
