Centro, the West Midlands Integrated Transport Authority, promotes and develops public

transport across the region. Our aim is to transform public transport so that people of the West Midlands have a world class system provided by a best in class organisation. We are working hard to ensure everyone in the region benefits from an effective network that meets the economic, social and environmental needs of the West Midlands. Centro intends to procure an asset management system to help with the effective and efficient management of the extensive range of assets across the West Midlands. Please note: Centro's Asset Management System requirement excludes the need for the provision of CRM, Finance Systems and GIS; however the implemented Asset Management System may need to interlink with these systems.
