Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.2. Economic and financial standing

List and brief description of selection criteria:

List and brief description of selection criteria:

This section covers questions 4B1-6 of the ESPD (Scotland).

Minimum level(s) of standards required:

4B1a: bidders will be required to have a minimum 'specific' yearly turnover of 250 000,00 GBP for the last 2 years.

In the event that the bidder does not comply with this requirement, they will not be considered any further in this tendering exercise.

As evidence for the ESPD (Scotland) question 4B1a, the procurement officer may ask for annual accounts from the bidder.

4B5: It is a requirement of this contract that bidders hold or can commit to obtain prior to the commencement of any subsequently awarded contract, the types of insurance indicated below:

— employers (compulsory) liability insurance = 5 000 000 GBP,

— public liability insurance = 5 000 000 GBP.

4B6: Bidders must demonstrate a current ratio of greater than 0,8.

Current ratio will be calculated as follows: net current assets divided by net current liabilities.

There must be no qualification or contra-indication from any evidence provided in support of the bidders economic and financial standing.

III.1.3. Technical and professional ability

Minimum level(s) of standards possibly required:

Minimum level(s) of standards required:

4C.1.2: If bidders cannot provide any relevant examples of supplies and or service carried out in the last 5 years as specified in the contract they may not be considered further;

4C.2: If the bidder cannot provide any relevant details of the technicians or technical bodies the bidder can call upon, especially those responsible for quality control in relation to this procurement exercise they may not be considered further;

4C.3A: If the bidder cannot provide relevant details of technical facilities and measures for ensuring quality they may not be considered further;

4C.4: Bidders are required to provide a statement of the relevant supply chain management and/or tracking systems used;

4C.7: Bidders will be required to confirm that they will employ environmental management measures which the bidder will be able to use when performing the contract;

4C.9: Bidders should provide details of relevant tools, plant or technical equipment available to you in relation to this procurement exercise;

4C.10: Bidders will be required to confirm that whether they intend to subcontract and if so, for what proportion of the contract.

Quality management procedures:

1) The bidder must hold a UKAS (or equivalent) accredited independent third party certificate of compliance in accordance with BS EN ISO 9001 (or equivalent); or

2) The bidder must have the following:

A documented policy regarding quality management. The policy must set out the responsibilities for quality management demonstrating that the bidder has and continues to implement a quality management policy that is authorised by their Chief Executive, or equivalent, and is periodically reviewed at a senior management level. The policy must be relevant to the nature and scale of the work to be undertaken and set out responsibilities for quality management throughout the organisation.

III.2. Conditions related to the contract

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure
