II.1.4. Short description

The municipality faces serious challenges in several areas of its tasks and responsibilities. The municipality has significant overspending as well as high long-term and short-term debt. A broad and diverse range of expertise will therefore be procured to help manage the main project and sub-projects. An important contribution is to support the municipality through a challenging transition phase. The scope is a project manager/coordinator in a 25% position from as soon as possible until 2025. Secondly, project assistance with two sub-projects

corresponding to a total approx. 25% position. The three-year project is the first step on the municipality's development path. The aim of the project is to lift the municipality out of the difficult situation and establish a baseline level for further development. The project will help the municipality to deliver services to residents within the framework of good governance, good administrative practices and a healthy and sustainable economy.
