Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Consultancy services for digital service development (Norwegian: DTU) Framework agreement - Qualification

Reference number: 23/00180

II.1.2. Main CPV code

72212000 Programming services of application software

II.1.3. Type of contract

Services

II.1.4. Short description

The procurement concerns entry into a framework agreement for consultancy services for the digital service development section.

The contract applies from and including contract commencement and has a duration of 2 years, calculated from the start-up date of 01.01.2024.

The contracting authority has an exclusive option to extend the contract by 1 + 1 + 1 year.

The need for consultancy assistance is centred on the following areas, but is not limited to:

- UX/UI design
- Development and infrastructure
- Testing
- Miscellaneous

There may occasionally be a need for assistance in related areas other than those listed above. In such cases, AtB will be able to utilise the framework agreement, but is not obligated to do so.

72200000 Software programming and consultancy services, 72212100 Industry specific software development services, 72220000 Systems and technical consultancy services, 72230000 Custom software development services

II.2.3. Place of performance

NUTS code: NO060 Trøndelag

Main site or place of performance: Trondheim

II.2.4. Description of the procurement

The procurement concerns entry into a framework agreement for consultancy services for the digital service development section.

The contract applies from and including contract commencement and has a duration of 2 years, calculated from the start-up date of 01.01.2024.

The contracting authority has an exclusive option to extend the contract by 1 + 1 + 1 year.

The need for consultancy assistance is centred on the following areas, but is not limited to:

- UX/UI design
- Development and infrastructure
- Testing
- Miscellaneous

There may occasionally be a need for assistance in related areas other than those listed above. In such cases, AtB will be able to utilise the framework agreement, but is not obligated to do so.

AtB is part of a public-public collaboration with other mobility companies, county authorities and Entur. The collaboration is called the Public Mobility Collaboration [Offentlig Mobilitetssamarbeid (OMS)]. Therefore, the following contracting authorities from the OMS collaboration will have the right, but not the obligation, to make call offs on the framework agreement:

- Møre og Romsdal County (FRAM)

- Nordland County (NFK)

- Kolumbus AS The framework agreement has an estimated value of NOK 55 million and a maximum value of NOK 115 million.

The estimated value is based on an estimate of AtB's needs, while the maximum value is based on a possible greater need at AtB, as well as any call-offs made by the other contracting authorities from the OMS collaboration. All call-offs must be made through AtB AS as the manager of the agreement.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 115 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/01/2024 End: 31/12/2025

This contract is subject to renewal: yes

Description of renewals:

The contracting authority has an exclusive option to extend the contract by 1 + 1 + 1 year.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3 Maximum number: 5 Objective criteria for choosing the limited number of candidates:

The contracting authority will choose a minimum of three and a maximum of five tenderers who will be invited to submit a tender. If there are not a minimum of three qualified tenderers, the contracting authority is entitled to invite two tenderers to submit tender offers.

The tenderers will be ranked based on their response in Annex 7 Assignment Overview. The selection will be made based on the following objective and non-discriminatory criteria:

- The 3-5 tenderers with the most relevant experiential assignments. This will be assessed based on which tenderers have experience from assignments that are most similar to the current assignment in terms of content, scope and size.

The contracting authority reserves the right to contact the references provided in Annex 7.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The procedure rules, point 5.2

Requirement:

Tenderers must be registered in a register of business enterprises, professional register or a trade index in the country where the tenderer is established.

Documentation requirement:

- Company Registration Certificate

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The procedure rules, point 5.1 - 5.3

1. Requirement:

Service providers must have their affairs in order with respect to the payment of tax, payroll tax and value added tax (VAT).

Documentation requirement:

- Tax certificate The tax certificate must not be older than 6 months at the deadline for submitting a request for participation in the contest. Any arrears or other irregularities must be justified.

2. Requirement:

- The tenderer must have sufficient economic and financial capacity to fulfil the contract.

Documentation requirement:

Latest submitted annual financial statements with notes including auditor's report.

Credit assessment based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

The contracting authority reserves the right to obtain a credit rating of the tenderers via a credit rating agency.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

The procedure rules, point 5.4.

1. Requirement:

- Tenderers must have experience with assignments for the development of digital services.

Documentation requirement:

- Completed Annex 7 Assignment Overview

Up to 3 reference assignments from the last 3 years

The contracting authority reserves the right to contact the references provided in the annex.

2) Requirement:

- Tenderers must have sufficient capacity and competence to complete the assignment.

Documentation requirement:

- The requirement is documented with a completed Annex 8 Available expertise demonstrating the tenderer's access to a minimum of two consultants within each category A-C as described in SSA-R Annex 1.

Consultants must have a minimum of a bachelor's degree and 3 years' experience working with digital services.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

There may occasionally be a need for assistance in related areas other than those listed above. In such cases, AtB will be able to utilise the framework agreement, but is not obligated to do so.

AtB is part of a public-public collaboration with other mobility companies, county authorities and Entur. The collaboration is called the Public Mobility Collaboration [Offentlig Mobilitetssamarbeid (OMS)]. Therefore, the following contracting authorities from the OMS collaboration will have the right, but not the obligation, to make call offs on the framework agreement:

- Møre og Romsdal County (FRAM)
- Nordland County (NFK)
- Kolumbus AS

The framework agreement has an estimated value of NOK 55 million and a maximum value of NOK 115 million.

The estimated value is based on an estimate of AtB's needs, while the maximum value is based on a possible greater need at AtB, as well as any call-offs made by the other contracting authorities from the OMS collaboration. All call-offs must be made through AtB AS as the manager of the agreement.
