Version of the previous notice to be changed

Main reason for change

:

Information updated

Description

:

El pliego de prescripciones técnicas detalla los requisitos mínimos que deben cumplir los tres lotes solicitados. Sin embargo, se ha detectado que existen requisitos en los lotes 1 y 2 que presentan incongruencias entre sí. Adicionalmente, en los criterios técnicos, la “ausencia de burbuja” es un criterio sin ninguna relevancia, tras la valoración por los facultativos de traumatología y que podría limitar la concurrencia. Por tanto, se va a modificar el pliego eliminando un requisito mínimo exigido en los lotes 1 y 2. También se van a modificar las puntuaciones de los criterios basados en fórmulas, eliminando la ausencia de burbuja como criterio puntuable en todos los lotes y asignando su puntuación a otros criterios. Por todo ello, se amplía el plazo de presentación de ofertas treinta días naturales contados desde el día siguiente a la publicación de esta Resolución en el Portal de Contratación de Navarra.
