### Section III: Legal, economic, financial and technical information

---

#### III.1. Conditions for participation

##### III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement: tenderers must be a legally established company.

Documentation requirement:

Norwegian companies: company registration certificate,

Foreign tenderers: verification that the company is registered in a trade index or a register of business enterprises as prescribed by the law of the country where the company is established.

##### III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: the tenderer must have the financial capacity to carry out the assignment.

Documentation requirement: the last annual financial statements including the board's annual report and audit report, as well as recent information of relevance to the company's fiscal numbers.

The contracting authority retains the right to obtain a credit rating from Bisnode to form the basis of the evaluation.

##### III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement I: the tenderer must have experience from equivalent assignments.

Documentation requirement: an overview of the relevant primary assignments that the tenderer has carried out in the last 3 years, including the contract value, date of delivery and name of the recipient.

Requirement II: tenderers must have a good and well-functioning system for quality and environmental management for the services that are provided.

Documentation requirement: description of environmental management measures and quality assurance measures. Tenderers can document that the requirement is met by presenting a copy of relevant environment certificates/environmental standards, such as ISO 14001, ISO 9001, EMAS, Miljøfyrtårn or equivalent or by the tenderer enclosing a description of the company's own systems and procedures.
