VI.3. Additional information

As part of this contract notice the following documents can be accessed at: <https://www.contractsfinder.service.gov.uk/Notice/064e3d9e-c81d-4090-99a5-4db46ab55da4>

- 1) contract notice transparency information for the agreement;
- 2) contract notice authorised customer list;
- 3) rights reserved for CCS framework.

CCS considers the Transfer of Undertakings (Protection of Employment) Regulations 2006 will not apply at framework level. We encourage bidders to take their own advice on whether TUPE is likely to apply, in particular circumstances of the call-off contract, and carry out due diligence accordingly.

On 2 April 2014 Government introduced its Government Security Classifications (GSC) scheme which replaced Government Protective Marking Scheme (GPMS). A key aspect is the reduction in the number of security classifications used. All bidders should make themselves aware of the changes as it may impact this requirement. This link provides information on the GSC at:

<https://www.gov.uk/government/publications/government-security-classifications>

CCS reserve the right to award a framework to any bidder whose final score is within 1 % of the last position.
