Review organisation: Trøndelag tingrett

Information about review deadlines: 10 days calculated from the day after notification of award of contract

5.1. Lot: LOT-0002

Title: Fuel bulk

Description: The contracting authority invites tenderers to a competition for a framework agreement for bulk delivery of fuel to vehicles, machines and installations. The objective of the procurement is to ensure a stable, cost efficient and environmentally sustainable energy supply that covers the Contracting Authority's ongoing needs in operation and construction activities. The delivery includes the following products: site diesel (HVO100) Complete description of the delivery is in the requirement specification. It is a prerequisite that the tenderer fulfils relevant industry standards as well as applicable requirements for quality, safety and environment for the delivery, transport and handling of fuel. The contracting authority's need is uncertain and it can vary during the contract period. The volume can both increase and reduce, and will, among other things, depend on the contracting authority's

ongoing operations, activity levels, budgetary situations and other framework terms. Emphasis is put on the fact that the stated volumes are estimates and are not binding for the contracting authority.
