## Section II: Object of the contract

---

### II.1. Description

#### II.1.1. Title attributed to the contract by the contracting authority

Framework agreement for consultancy services for buildings and property.

#### II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Oppland.

NUTS code NO022 Oppland

#### II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

#### II.1.4. Information about framework agreement

#### II.1.5. Short description of the contract or purchase(s)

Oppland county, Gausdal and Lillehammer municipalities have a formal cooperation within property management — called EIOFF. The EIOFF cooperation is managed by a separate board.

Lillehammer, Gausdal, Øyer, Ringebu and Nord-Fron municipalities are in a procurement cooperation with Oppland county — INNOFF. The cooperation means that several tender competitions, like this one, can be held on behalf of several municipalities.

Oppland county, Property, hereafter called the contracting authority, invites tenderers to an open tender competition for the procurement of consultancy services within buildings and property for Lillehammer, Gausdal, Øyer, Nord-Fron, Ringebu municipalities and Oppland county.

Objective and scope.

The municipalities annually procure a varying extent of consultant/advice services within buildings and property. The contracting authority's intention is to enter into 3 parallel framework agreements per field for the provision of:

Consultancy services for Oppland county, Lillehammer, Øyer, Gausdal, Ringebu and Nord-Fron municipalities.

The above mentioned parties will henceforth be called the municipalities.

The purpose of entering into framework agreements for engineering design services is to ensure sufficient capacity and good competence at all times. The municipalities would like to use the framework agreements to join up with personnel who can quickly be obtained when needed.

The contracting authority requires that the provided services shall always be implemented in accordance with the current laws, regulations and other administration requirements, and as a minimum, be implemented in accordance with the requirements for competence, precision and professional competence that is usual in the sector.

The assignment will last for two — 2 - years from 1.3.2017, with an option for an extension for 1+1 year.

If possible, three parallel framework agreements shall be signed per field for each of the municipalities.

Contracts shall be signed for the following fields:

- Architectural services
- Landscape architect services
- Interior architect services
- Consultant engineering services, construction techniques
- Consultant engineering services, electro techniques
- Consulting engineering services, HVAC techniques
- Consultant engineering services, climate, energy and environment
- Consultant engineering services, fire safety
- Consultant engineering services, acoustics
- Consultant engineer geo engineering
- Construction management/builder ombudsman
- ITB-manager/ITB-ombudsman,
- Planning work
- SHE-Coordinator
- Independent inspection of engineering design services, architect
- Independent inspection of engineering design services and execution, RIB,
- Independent inspection of engineering design services and execution, RIE,
- Independent inspection of engineering design services and execution, RIV,
- Independent inspection of engineering design services and execution, KEM,
- Independent inspection of engineering design services, fire safety
- Independent inspection of engineering design services and execution, geo engineering.

The contract period

The contract period for the framework agreement is from 1.3.2017 to 28.2.2019, with an option for an extension for 1+1 year.
