The contract involves joint procurement

**I.4.**

**Type of the contracting authority**

National or federal agency/office

**I.5. Main activity**

General public services

**Section II: Object**

---

**II.1. Scope of the procurement****II.1.1. Title**

Procurement of a Contract for the Development and Delivery of a Central Processing System for Vehicle and Registration Plate Recognition

Reference number: 17/46379

**II.1.2. Main CPV code**

72212517 IT software development services

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The Customs Department c/o the Customs Directorate (Customs) as held a negotiated procedure for the procurement of a central processing system with the accompanying interface for a new vehicle and registration plate recognition. The procurement also included a contract for the maintenance and further development of the system, as well as assistance with planning and rolling out camera and sensor technology. An option for a contract for the operation of the system was also included as part of the procurement, however tenderers could choose whether or not to submit a tender for this. Customs made procurement on behalf of Customs, the Norwegian Public Roads Administration (NPRA) and the Police Department (the Police). The Police have an option to establish a separate central processing system.

**II.1.6. Information about lots**

This contract is divided into lots: no
