Operational contract roads 0903 Arendal west 2016-2021.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Arendal, Norway.

NUTS code NO Norge

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The contract is for operational and maintenance assignments, with function responsibility for some of the assignments, on national roads, national foot and cycle paths, county roads and county foot and cycle paths with the accompanying side installations, side areas, equipment and installations in Lillesand, Grimstad, Arendal and Froland municipalities, in accordance with the road list stated in Chapter D2-V and D2-S20.

The work will be settled by round sum for round sum processes, in accordance with amounts and unit prices for other processes such as day work in accordance with the hourly rates for crew and machines.

The traffic on the road network varies from approx. ADT 100 to approx. ADT 20 000 and an annual traffic growth of 2,5 % is expected.

The assignment mainly consists of routine operational assignments and minor maintenance assignments on the road network. The assignment also consists of inspecting and registering, planning the activity, standby for winter operations and general traffic flow, documentation, reporting to the builder, information to the public and handling other assignments that are necessary for the operation and maintenance of the road network.

II.1.6. CPV code(s)
