The contracting authority aims to have modern cleaning services in line with the developments in the branch. The cleaning services shall be in line with the current level as regards the branch's competence, use of cleaning chemicals, cleaning machinery/equipment, methods, use of resources and cleaning quality.

The contracting authority's need for the cleaning service shall be continually developed and adapted to the technical and organisational development within the cleaning branch in order to avoid unnecessary impact on cleaners and the inside and outside environment.

The contract includes full service with sanitary services, hygiene services and the hire of mats. The hygiene services that are included consist of refilling, procurements and the delivery or hygiene containers with the accompanying equipment, as well as emptying and cleaning thereof.

In addition the contracting authority has an option to procure cleaning to order, such as extra washing when required, polishing, cleaning furniture, etc. after unforeseen events.

The value of the procurement is estimated to be approx. 2 500 000 NOK, excluding VAT per annum. The value is an estimate and must therefore be considered non binding.

See the procurement documents for further information.

Lots/groups

Tenders cannot be submitted for parts of the assignment, and alternative tenders are not allowed. The contracting authority has considered dividing up the assignment in accordance with PPR §19-4, but has decided that this is not suitable for this type of contract.
