48224000 Web page editing software package, 72400000 Internet services, 72415000 World wide web (www) site operation host services, 72420000 Internet development services

II.2.3. Place of performance

NUTS code: NO081 Oslo

Main site or place of performance: Oslo

II.2.4. Description of the procurement

The Climate Department [Klimaetaten] will upgrade its existing websites.

The procurement includes the delivery of a Content Management System, hereinafter referred to as CMS. The system will be delivered as a Software as a Service (SaaS). The service will be delivered such that the Contracting Authority does not need to install, update and maintain local software.

Hosting, operation, maintenance, training and consultancy will be accompanying services in order to ensure that the CMS platform functions as intended. The services are regulated as an SSA-L contract. The value of the SSA-L contract is set at up to NOK 800,000 excluding VAT. Upgrading of the existing websites for the Climate Department is also a part of the procurement, hereinafter referred to as the redevelopment project. The redevelopment project will be delivered in accordance with the drafts/architecture system described in the tender documentation,

The reconstruction project and other potential further development projects during the contract period are regulated as an SSA Framework Agreement. The value and maximum financial ceiling of the framework agreement is set at NOK 2.8 million excluding VAT. Of this, the redevelopment project has a further financial framework of NOK 2 million excluding VAT. An SSA-T contract will be awarded for the redevelopment project, and may also be used for other development assignments of up to NOK 800,000 excluding VAT during the contract period. Contracts will be signed with one tenderer.

II.2.5. Award criteria

Quality criterion - Name: Assignment comprehension / Weighting: 50%

Quality criterion - Name: Competence / Weighting: 20%

Price - Weighting: 30%
