#### 2.1. Procedure

Title: RA-26-012-ALL Framework agreement for workwear, footwear and protective equipment for the Gjøvik region.

Description: The objective of the procurement is to enter into framework agreement(s) for the purchase of workwear, footwear and protective equipment for the Gjøvik region. The procurement is divided into five sub-contracts. Tenderers can submit tenders for one or more sub-contracts. The contracting authority can award one or several sub-contracts to the same tenderer, or award different sub-contracts to different tenderers. Tenders cannot be submitted for individual product lines within each sub-contract. Further details on the delivery, including requirements for products, assortment, delivery, ordering, environment, reporting and other requirements, follow the requirement specifications, needs descriptions, price forms and other procurement documents. The framework agreement(s) are not exclusive. The contracting authorities are not obliged to procure a specific volume from the chosen supplier(s), and the estimated values and volumes are not binding for the contracting authorities. The contracting authorities reserve the right to cover needs outside of the framework agreement(s), where justifiable, including conditions not included in the framework agreement(s), special user needs, acute needs, lack of assortment accessibility, breach, or where the procurement regulations allow for other legal procurements.

Participation in a

criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42).

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for rejection, or of the qualification requirements being fulfilled, b) failed to provide such

information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Offence concerning its professional conduct in the domain of defence procurement: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Lack of reliability to exclude risks to the security of the country: Is the tenderer assessed to lack the reliability necessary to exclude the risk of national security?

Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

### 5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Financial ratio

Description of selection criterion: Tenderers shall have their tax and duty payments in order (tax, VAT etc.). Documentation requirements: Tax certificate issued by the tax authorities (maximum 6 months old). Foreign tenderers shall submit equivalent certificates from their home country.

Criterion: Enrolment in a relevant professional register

Description of selection criterion: Tenderers shall be a legally established company registered in a company register, trade register or trade register in their country of establishment.

Documentation requirements: Company Registration Certificate from the Brønnøysund Register Centre or other valid register statement confirming that the tenderer is registered and legally established. Foreign tenderers submit equivalent certificates from their jurisdiction.

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers must have sufficient economic and financial capacity to fulfil the contract. The minimum requirement is credit worthiness without requirement for provision of security. E.g. equivalent credit rating of "A" from Bisnode.

Documentation requirements: Credit rating from a certified credit rating agency (based on the most recent annual fiscal figures), not older than 3 months.

Criterion: Measures for ensuring quality

Description of selection criterion: Tenderers shall have a good and well-functioning quality assurance system suitable for the delivery. This involves routines for ensuring quality and compliance with relevant laws and regulations in the implementation of the contract.

Documentation requirements: An account of the quality assurance system and routines, up to two pages. Alternatively: A copy of a valid ISO 9001 certificate or equivalent certification will normally be accepted as documentation.

Criterion: Environmental management measures

Description of selection criterion: The tenderer is required to have an environmental management system to ensure environmental consideration in the delivery. Documentation requirements: Certificate that proves a valid environmental management system (f.eks. ISO a 14001 certificate, EMAS registration or Environmental Lighthouse certificate). Alternatively, tenderers can provide a description of their internal environmental management system with an account and policy if formal certification is not available.

Criterion: References on specified services

Description of selection criterion: Tenderers shall have relevant experience from assignments or deliveries of an equivalent nature and extent to the assignment in question. 'equivalent' means assignments of the same type, complexity and size, which ensures that the tenderer has the necessary experience. Documentation requirements: Reference list of the 3 most important relevant assignments carried out in the last 3-5 years. The list shall include a description of the assignments, contract value, date/year, as well as the name of the contracting authority/customer for each reference. The contracting authority can contact the references for verification.
