II.1.3. Information about framework agreement**II.1.4. Short description of the contract or purchase(s)**

Modular and portable buildings. Training facilities building. Training and simulation in firearms and ammunition. This contract provides for Close Quarter Battle (CQB) training within internal building environments using live fire. Allowing for the internal layouts of buildings to be replicated, with rapid assembly, reconfiguration and breakdown with minimal staff. To ensure safety the panels shall provide ballistic protection, preventing penetration from common UK Army ammunition natures.

Please note that this contract was originally advertised as a competitive opportunity, due to a competition failure at DPQQ stage it reverted to a single source negotiated procedure, conducted under the regulations of the Single Source Contract Regulations Act 2014 (SSCR), as detailed in the rest of this Contract Award Notice (CAN).
