#### **II.1.4. Short description**

whg is looking for a single supplier to provide leased vehicles on a contract hire basis for a period of 4 or 5 years. The fleet consists of 210 commercial vehicles and whg would like the supplier to provide all other ancillary services as part of a one-stop-shop solution. Ancillary services will include maintenance, breakdown, accident management and daily hire. All 210 light commercial vehicles are due for replacement in early 2020. whg is looking for a partner who will work proactively with the organisation to supply and manage the vehicles over the lifecycle. Key to this partnership is the ability to help drive operational efficiencies whilst reducing risk and impact on the environment. Typical users of the vehicles within the fleet include gas and electrical engineers, plumbers, plasterers, glaziers, locksmiths and general maintenance.
