III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

See the tender documentation.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

See the tender documentation.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

See the tender documentation.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: — Requirement to present a VAT certificate (National requirement);

— Requirement to submit a tax certificate for tax (national requirement);

— Requirement to present a self-declaration in accordance with the Regulation's Annex 2 on HSE (National requirement);

— If the tenderer is a working partnership, a declaration of joint and several liability to the General Contractor and third parties must be enclosed with the tender.

Furthermore, a statement should be given for the business form and the composition of the working partnership, including the participants' organisation numbers.

III.2.2. Economic and financial ability

List and brief description of conditions: — Tenderers shall provide information on equity and total assets from the last reported accounts. If there are any significant changes to the tenderer's equity and solvency in comparison to the last audited accounts, documentation about this must be submitted;

— Information must be provided on the tenderer's total turnover and the turnover related to relevant works for each of the last 3 financial years. Relevant work is understood to be work of the same type as that included in the tender documentation.

Minimum level(s) of standards possibly required: — Tenderers are required to have positive equity. If the tenderer is a working partnership, the requirement applies for each participant;

— The tenderer's annual average turnover should be at least as large as the annual revenues the contract will generate.

III.2.3. Technical and professional ability

List and brief description of conditions:

— Staffing for this assignment (organisation chart) with names and CVs for key persons who will perform the assignment;

— Overview of the 3-5 last and most relevant equivalent assignments carried out or being carried out during the last 5 years, cf. the tender documentation Chapter E2 4.1.1;

— Information on assignments that the tenderer has had during recent years, with the names of references at the contracting authority, cf. the tender documentation Chapter E2 4.1.2;

- The H1-value is to be documented by filling in the tender documentation's form E2 4.2.1. If the H1-value is higher than 10, an account shall be given of the developing trend for the H1-value and possibly the F-value, which will express the severity of any high H1-value. Furthermore, a report on whether improvement measures are implemented, and if so, also documentation on the effectiveness of these, shall be enclosed with the tender;
 - The tenderer is required to refer to references to relevant contracts that they themselves have carried out in a satisfactory manner. Tenderers who are newly established companies who cannot submit references, must be particularly careful to demonstrate that they have the ability to carry out the contract.
- Minimum level(s) of standards possibly required:
- The tenderer is required to have experience with work of the same nature and degree of difficulty;
 - Technical and professional competency and relevant experience is required of the key personnel who will be used for this assignment;
 - The average of the H1-value for the last 3 years should be lower than 10.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes
