

Norway-Oslo: Engineering design services

OJ S 231/2014 29/11/2014

Contract notice**Services****Directive 2004/18/EC****Section I: Contracting authority**

I.1. Name and addresses

Official name: Nasjonalt Folkehelseinstitutt

National registration number: 983744516

Postal address: Lovisenberggata 8

Town: Oslo

Postal code: 0456

Country: Norway

For the attention of: Jon Fredrik Skjerve

E-mail: jonfredrik@odinprosjekt.no

Telephone: +47 40234145

Internet address(es):General address of the contracting authority: <http://www.fhi.no>Address of the buyer profile: <https://kgv.doffin.no/ctm/Supplier/CompanyInformation/Index/3166>Electronic access to information: <https://kgv.doffin.no/ctm/Supplier/Documents/Folder/124433>**Additional information can be obtained from:**

the abovementioned address

Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained from:

the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address**I.2. Type of the contracting authority**

Ministry or any other national or federal authority, including their regional or local subdivisions

I.3. Main activity

Health

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

Alterations of vaccine distribution — designing.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Oslo, Norway.
NUTS code NO011 Oslo

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

The Norwegian Public Health Institute (FHI) aims to move their vaccine operations from Lovisenberggate 6 to Sandakerveien 24 C, Building C, entrance C8, 0473 Oslo. The current premises in Lovisenberggate 6 are too small and do not provide sufficient space for refrigerated packaging and goods handling.

The intention is to design an alteration of the building in Sandakerveien. Altered areas will altogether be approximately 1 650 m² and will primarily consist of cooled and room temperature storerooms.

The Norwegian Public Health Institute has engaged Norconsult and Momentum Arkitekter to carry out the pre-engineering design.

The purpose of the procurement is to obtain consulting assistance for:

- Designing and preparation of tender documentation in accordance with NS3420 of 2014.
- Evaluation of tenders, for contracting of contractor. Pricing will be based on evaluation of 3 tenders.

It is also desirable that the supplier shall offer an option for project monitoring and any changes of the alternation during in the building process.

For the execution of this assignment, FHI requests an engineering design group consisting of the following expertise:

PRL: Project Manager/assignment leader;

ARK: Architect;

RIB: Consulting Engineer, Civil;

RIBR: Consulting Engineer, Fire;

RiByfys: Consulting Engineer, Building Physics;

RIV: Consulting Engineer, HVAC;

RIE: Consulting Engineer, Electro;

SØK: Responsible Applicant;

KP: HSE Co-ordinator during the designing phase.

Fixed pricing is request for the designing phase and the contracting phase. Monitoring during the construction period will be carried out as work based on an hourly rate stated in part II Annex 3.

II.1.6. CPV code(s)

71320000 Engineering design services, 71240000 Architectural, engineering and planning services, 71000000 Architectural, construction, engineering and inspection services, 71200000 Architectural and related services, 71250000 Architectural, engineering and surveying services, 71300000 Engineering services, 71500000 Construction-related services, 71315210 Building services consultancy services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

Estimated value excluding VAT:

Range: between 2 000 000 and 3 000 000 NOK

II.2.2. Information about options

Options: yes

Description of options: It is also desirable that the supplier shall offer an option for project monitoring and any changes of the alternation during in the building process.

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: no

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The tenderer should have arranged conditions with respect to the payment of tax, employer contributions and sales tax.

Tax certificates not older than 6 months from the deadline for receipt of tenders. Tax certificates means:

For Norwegian tenderers:

— Form from the Tax Directorate (RF-1244) for VAT issued by the tax office.

— Form from the Tax Directorate (RF-1244) for tax and employer contributions issued by the Tax Collection Office.

For foreign tenderers:

— Foreign tenderers must submit equivalent certificates from their own country that show that they have an arrangement for the payment of tax and fees. If the authorities in the country do not issue such certificates, the tenderer shall submit a declaration which states that all taxes and fees have been paid. The declaration shall be approved and signed by the tenderer's Financial Director/ person responsible for Finance.

The tenderer should meet Norwegian HSE requirements when performing work in Norway.

Filled in and signed HSE self-declaration in accordance with PPR appendix 2. Please use the

attached template, see part 1 annex 6.

The tenderer must be a legally established company.

Norwegian tenderers:

— Company Registration Certificate.

Foreign tenderers:

— Confirmation that the tenderer is registered in a trade register or company register in accordance with the law in the country where the tenderer is established.

The tenderer shall have a good reputation.

The tenderer must, in a self declaration, confirm that the requirements in Part I Annex 2 have been fulfilled.

For the implementation of the contract the tenderer will fulfil the conditions according to regulation 8.2.2008 no. 112 about wages and working conditions.

Signed self-declaration of wages and working conditions. Use Annex 7.

III.2.2. Economic and financial ability

List and brief description of conditions: The supplier should have sufficient economic and financial capacity to be able to fulfil the contract.

The tenderer can prove their economic and financial position with any document that the Contracting Authority will accept, e.g. credit rating from a recognised credit rating company, Annual financial statement or guarantees.

III.2.3. Technical and professional ability

List and brief description of conditions:

Tenderer must have good experience with designing of similar complexity, size and nature.

Description of selected and relevant reference projects carried out during the last three years, with information about:

a) Name of Contracting Authority.

b) The project name.

c) The project's nature, size, cost and complexity.

d) The reference project's relevant classification class.

e) Tenderer's delivery in the project.

— Form of contract

— Size of the contract

Tenderer must be able to obtain approval for designing and application in enterprise classification 3 in accordance with The Planning and Building Act.

Copy of central approval in enterprise classification 3.

If the tenderer does not have central approval, he must then submit documentation showing that the supplier will gain local approval..

The assignment requires suppliers who have good systems for quality management.

The documentation shall be provided in one of the following ways:

Alternative 1: Description of the company's policy regarding quality management, with emphasis on quality assurance, resource management, management responsibility, manufacturing process and continuous analysis and improvement.

Alternative 2: If the supplier holds an ISO

9001:2000 certificate, or newer version, this may be attached.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: yes

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.1.2. Information about the limits on the number of candidates to be invited

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

14-2553

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

12.1.2015 - 14:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

Other: Norwegian.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

until: 28.2.2015

IV.3.8. Conditions for opening of tenders

Persons authorised to be present at the opening of tenders: no

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.3. Additional information

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

27.11.2014
