II.1.4. Short description

The Expert group for aid studies (EBA) has decided to commission an evaluation of the Swedish Climate Change Initiative 2009 — 2012. We hereby invite proposals for such a study.

The Government's Climate Change Initiative 2009 — 2012

Climate change is high on the international development political agenda in Sweden. The aim of the evaluation is:

(i) to gain in-depth understanding of the long-term effects and sustainability of the CCI; and

(ii) generate lessons to inform Swedish climate aid ahead. The EBA expects the evaluation to deepen the knowledge and understanding of how to manage, develop and secure effective climate change adaptation and mitigation measures in poor countries and to highlight lessons learned that may inform current Swedish climate aid.
