II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

Durham Cathedral is 1 of the country's best loved buildings. Open Treasure is a major development project that will provide visitors to Durham Cathedral with an experience to match its international, cultural and historic value. It will open up both buildings and collections so that these they can be enjoyed by many more people of all ages and backgrounds. Visitor numbers will increase, generating additional revenue through ancillary spending and donations. This will

contribute towards the on-going conservation of the Cathedral and its collections, ensuring access to the Cathedral Church remains free for all. Durham Cathedral are looking to engage a single supplier to design and deliver the AV Software for the Open Treasure Exhibition. A full scope of works is contained in the AV Software Brief.

The Cathedral will remain open to the public during the AV Software installation, which will take place in synchronisation with the Exhibition Fit Out.
