Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: http://eu.eu-supply.com/app/rfq/rwentrance_s.asp?PID=337552&B=KGVLIGHT

Tenders or requests to participate must be submitted to the abovementioned address

I.4. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Procurement of WAN services
Reference number: WAN Bodø kommune

II.1.2. Main CPV code

72400000 Internet services

II.1.3. Type of contract

Services

II.1.4. Short description

Bodø Municipality would like to enter into a contract for the delivery of WAN services. The contracting authorities are Bodø Municipality, Røst Municipality, Rødøy Municipality, Hamarøy Municipality, Salten Brann IKS, Salten Regional Council, Bodø 2024, Helse- og Miljøtilsyn Salten, Bodø Municipality Housing Foundation as well as all municipal businesses that are owned by Bodø Municipality. The formal contract counterparty will be Bodø Municipality.

II.1.5. Estimated total value

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

72400000 Internet services

II.2.3. Place of performance

NUTS code: NO071 Nordland

II.2.4. Description of the procurement

Bodø Municipality would like to enter into a contract for the delivery of WAN services. The contracting authorities are Bodø Municipality, Røst Municipality, Rødøy Municipality, Hamarøy Municipality, Salten Brann IKS, Salten Regional Council, Bodø 2024, Helse- og Miljøtilsyn Salten, Bodø Municipality Housing Foundation as well as all municipal businesses that are owned by Bodø Municipality. The formal contract counterparty will be Bodø Municipality.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 48

This contract is subject to renewal: yes

Description of renewals:

Option for 1 + 1 year extension.

II.2.9. Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3Maximum number: 6Objective criteria for choosing the limited number of candidates:

1. The relevance of the references to the contracting authority.

When assessing the relevance of the references, emphasis will be placed on the scope of the contract, geographical spread of the WAN solution in Norway and the scope of services requested by the contracting authority.

Each tenderer's most relevant reference will be contacted. Annex 2 describes questions that will be asked during the reference check. Feedback will be included in the evaluation of this criterion.

2. The tenderer must have competence in sustainable ICT, and be able to deliver services with the lowest possible climate and environmental impact.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Described in the tender documentation.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Bodø Municipality reserves the right to award the contract without holding negotiations, cf. § 23-7 (5). Bodø Municipality will assess the need for negotiations after the tenders have been reviewed. Any negotiations can be carried out in multiple phases, and Bodø Municipality reserves the right to reduce the number of tenders to be negotiated, cf. § 23-11 (1).

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be a legally established company.

Documentation requirement:

Norwegian companies: Company registration certificate issued no more than six months before the tender deadline expires.

Foreign tenderers must prove that the company is registered in a professional register or business register, as prescribed in legislation in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to complete the contract.

Documentation requirement:

Credit rating from a certified credit rating company, not older than six months.

In addition the previous year's auditor approved accounts shall be enclosed as documentation, as well as recent information that is of relevance to the company's accounting figures.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

- 1) The tenderer must have experience from contracts for deliveries of network solutions.
Documentation requirement: The tenderer must enclose a list of the most important relevant deliveries during the last 3 years, including information about the time period, scope (value) and customer reference with name, telephone number and email.
- 2) The tenderer must have an actively used quality assurance system for the services that will be provided.
Documentation requirement: Description of how quality assurance is placed in the system. In addition, the following from the tenderer's quality manual must be attached: Introduction, Table of Contents.
Alternatively: If the provider is quality certified in accordance with the ISO 9001 standard or equivalent, such a certificate is accepted as documentation of fulfilment of the qualification requirement.
- 3) The tenderer must have an actively used environmental management system.
Documentation requirement: Description of the tenderer's procedures and systems for ensuring low environmental impact when carrying out the assignment. Alternatively: If the tenderer has environmental certification or ISO 14001:2004 (or a more recent version), EMAS, Miljøfyrtårn, or equivalent 3rd party verification systems, such a certificate will be accepted as documentation of fulfilment of the qualification requirement.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Competitive procedure with negotiation

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.4. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated

IV.1.5. Information about negotiation

The contracting authority reserves the right to award the contract on the basis of the initial tenders without conducting negotiations

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes
