II.1.4. Information about framework agreement

Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement
: 3

Duration of the framework agreement

Duration in years: 4

Estimated total value of purchases for the entire duration of the framework agreement

Estimated value excluding VAT

Range: between 0,01 and 3 600 000 GBP

II.1.5. Short description of the contract or purchase(s)

This procurement is for the repair/overhaul and supply of new; brake rigging assembly parts and vertical suspension damper mounting brackets for the London Underground Piccadilly Line (1973TS) Rolling Stock. There are 5 separate Lots to be procured and Applicants can express an interest in tendering for 1, or any number of Lots. A maximum of three (3) nil value framework agreement/s are sought over a 48 month period in accordance with a pre-agreed schedule of delivery with an option for the Contracting Entity to extend for a further 12 months. The framework agreement/s awarded will be on a zero value basis with no obligation for the Contracting Entity to purchase any minimum number of parts. Applicants expressing an interest will be required to successfully complete a Pre-qualification Questionnaire via the TfL eTendering System. The Contracting Entity shall select candidates to receive invitations to tender in accordance with objective selection criteria as detailed in IV.2.1) of this Notice and in the pre-qualification documents. There are 5 separate Lots to be procured, see Annex B for further details on scope/quantities for each Lot. The Lots will be awarded in-line with the Award Criteria and Award Rules. This could result in any combination of Lots being awarded across a maximum of 3 Framework Agreements. Each Lot will only be awarded to 1 Contracting Entity, so whilst a Contracting Entity may be awarded a Framework Agreement with more than 1 Lot, there will only be a single Contracting Entity to which each Lot has been awarded.

II.1.6. CPV code(s)

34631000 Parts of locomotives or rolling stock, 34631400 Wheel axles and tyres and other parts of locomotives or rolling stock, 50221400 Repair and maintenance services of locomotive brakes and brake parts, 50222000 Repair and maintenance services of rolling stock , 50224000 Reconditioning services of rolling stock

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

A maximum of three (3) nil value framework agreement/s are sought over a 48 month period in accordance with a pre-agreed schedule of delivery with an option for the Contracting Entity to extend for a further 12 months. There are 5 Lots, see Annex B for further details on scope /quantities for each Lot.

Estimated value excluding VAT
Range: between 0,01 and 3 600 000 GBP

II.2.2. Information about options

Options: no

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in months: 48 (from the award of the contract)

Information about lots

Lot No: 1

20.1.2017 - 12:00

IV.3.5. Languages in which tenders or requests to participate may be submitted

English.

IV.3.6. Minimum time frame during which the tenderer must maintain the tender

IV.3.7. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

VI.3. Additional information

This is the Contracting Entity's last call for competition i.e., this notice is a call for competition in accordance with Directive 2014/25/EU of the European Parliament and of the Council. It is not intended that any further call for competition be made although the Contracting Entity reserves the right to place further calls at its sole discretion.

Interested parties should also note:

- The Contracting Entity reserves the right to up issue the technical specification with amendments prior to submission of candidates' best and final offers.
- The Contracting Entity intends to use electronic means including the internet in carrying out the procurement process.

The Contracting Entity strongly supports and implements the Greater London Authority Group responsible Procurement Policy. Details about the policy can be found on www.londong.gov.uk/rp Further details as to the application of the Greater London Authority Group Responsible Procurement Policy to this procurement will be set out in the tender documents.

- The contract and any matters, including the disputes, arising out of it will be subject to English Law and the exclusive jurisdiction of the English Courts.
- The Contracting Entity does not bind itself to accept any tender and reserves the right to award the contract in whole or in part or not at all as a result of this call for competition.
- Registration of interest in this procurement by any party does not guarantee inclusion of the party on the tender enquiry list. The Contracting Entity shall select candidates to receive invitations to tender in accordance with objective criteria as detailed in IV.2.1) of this Notice and in the invitation to tender documents.
- The Contracting Entity reserves the right to select those candidates with whom it wishes to negotiate. This will be done on an objective basis according to evaluation criteria and rules laid down by the Contracting Entity.
- The Contracting Entity reserves the right to disqualify any candidate which: provides information or confirmations which later prove to be untrue or incorrect; or does not supply the information required by this notice or Pre-qualification Questionnaire.
- The Contracting Entity reserves the right to award the contract on the basis of the initial tenders without conducting negotiations.

VI.4. Procedures for review

VI.4.1. Review body

Official name: The UK does not have any such body with responsibility for appeals procedures. Please refer to section VI.4.2) for information regarding this appeal process

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: Prior to contract award the Contracting Entity will incorporate a minimum ten calendar day standstill period following electronic notification to unsuccessful candidates of the award decision. Prior to this period the Contracting Entity will provide candidates with the identity of the winning bidders(s) and details of the score(s) and characteristics and relative advantages of the winning bid(s). The Utilities

Contracts Regulations 2016 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

18.11.2016
